

Headteachers Welcome:

Dear Parent, Carers and friends of Blue Skies,

What an amazing term this has been; the school is bursting with pride as we look to celebrating student's completion of examination questions and looking at supporting those ready to move on to new ventures. My particular thanks go to the staff to try and keep students motivated for accessing exam questions and adapting their teaching. Today saw the celebratory assembly for Cumulus, whereby we shared memories, jokes, games and food as a whole school community. It's always difficult to say goodbye to students, and we wish each and every one of them success in their future education or employment. I hope you enjoy the photos from the day's events. Some students have entered a well-being timetable (previously study leave), and the timetable for onsite activities has been shared in a recent email for those students impacted.

Personally, my wife and I would like to thank you for your well wishes on the birth of my most recent family addition, Albert, born on the 21st April. He is well settled, and his siblings are very loving towards him!

Covid symptoms over holiday periods

With the fantastic success of the vaccination program, there are fewer cases within the community. However, please be vigilant if anyone in your household shows symptoms of Covid in the next few days. Immediately isolate and book a PCR test, letting us know the outcome on the email: safeguarding@blueskiesschool.co.uk

Designated Safeguarding Leads:

Graham Richards – Headteacher – Lead DSL

Sam Gracey – Senior Teacher – Deputy DSL

Jo Higgins – Proprietor – Overseeing Safeguarding
